

**CAN'T BUY ME LOVE (OH YES YOU CAN!)
THE ROLE OF MONEY AND RELATIONSHIPS IN SELF-DETERMINATION**

This presentation will focus on some of the second generation self-determination issues. These include:

- Keeping the person in person-centered planning – how to figure out what is important to vs. what is important for the person
- Is it person-centered if I can't read and don't know it's my plan?
- Why increasing income is key to developing relationships?
- What research tells us about well-being, dreaming and achieving goals
- How to ensure naysayers and “what if-ers” are kept in check
- The changing professional role from pilot to navigator
