

MAKING A DIFFERENCE IN A CHANGING WORLD

Derrick Dufresne

(ND Breakout)

This presentation will challenge participants to erase old tapes that limit our vision and get us into ruts. Challenges and opportunities for the future will be explored.

Topics listed below will be addressed:

- Recovery as a way of life, not a slogan
- Difference between being “in” the community vs. “of” the community
- Clients or citizens?
- How one person can make a difference
- Building choice and options for persons with mental health challenges
- Visioning/WRAP PLANS
- Building a future dream in the present tense
- Staff as friend, mentor, and link to the world
